Welcome to the eighth Supporter Update which is sent to members of the Scotch Family who have made an investment in the projects undertaken by the School since building our commissioned on the new fully operational Zelman Cowen Centre for Science.

This is the first edition you have received, sincere thanks from all at Scotch for supporting the educational vision of the School and the work of the Development Office in helping to deliver our dreams.

The Supporter Update began as an opportunity to receive our Centre for Science donors. Since then, your exceptional generosity has enabled us to achieve the most meaningful things for the boys of Scotch, both current and future.

We now bring to you following the first edition of the Supporter Update, the Scotch-Cohen Dining Hall.

If you are interested in supporting any of these ongoing projects, please contact Director of Development, Tim Shearer, on 03 9810 4301 or tim.shearer@scotch.vic.edu.au.

Message From the Development Office

The Scotch Foundation celebrated its 2018 Australian Art Show over an evening Thursday 21st March in the Sir Zelman Cowen Centre for Science. The evening was celebrated with A Night of Art, where the Scotch community honours our artists, educators and students.

The Scotch Art Show is one of the important events leading up to the Scotch Gala Dinner in May. The Scotch Art Show is Scotch’s largest fundraising initiative, which is designed to raise funds for the Scotch Scholarship Program.

The Scotch Foundation invited external artists to create a piece of work for the Scotch Art Show. A number of these works were created in collaboration with Scotch students, with a focus on celebrating Scotch’s commitment to the Scotch’s Indigenous Scholarship Program.

Another remarkable year for the boys of Scotch!

As the community of the school grows through the once public school of generations, the opportunities to move and shape ideas and work on new projects have been even more rewarding. Scotch is well placed to gain such opportunities; we are driven by youthful enthusiasm and courage.

To maintain Scotch’s commitment and standards for the future of Victorian Education, we have always known that partnerships play a critical role.

As one of the Scotch’s key donors, we have maintained a strong focus on the Scotch Foundation’s program and the Scotch’s Indigenous Scholarship Program.

Mr I Tom Batty
Principal

Thank you to all those who have made a commitment to the Scotch Foundation Program in 2018 and to those who wish to support on-going.

Opportunities, Experiences, Understanding.

The 2018 Scotch Foundation Art Show was supported by the Scotch Foundation and Scotch-Cohen Dining Hall.

The Scotch Foundation Program continues to flourish at Scotch. The program, which began in 2004, is premised on a close relationship between education and the arts as an important component of the Scotch’s School’s Indigenous Scholarship Program. Scotch’s ongoing investment in this program enables Scotch to develop artists and leaders who will continue to inspire and influence Scotch’s Indigenous Scholarship. Scotch is committed to ensuring that Scotch’s Indigenous Scholarship Program is sustainable.

We are delighted to announce that the final plans for Keon-Cohen Welcome to the eighth Supporter Update.

Best wishes and thanks,

The Development Office

The Spencer Centre for Design and Technology is now open for business!

The Spencer Centre for Design and Technology is open for business. The Centre is a unique environment that integrates art, design, and technology, creating a space where creativity and innovation can flourish. The Centre is designed to support the development of students in the fields of design and technology, providing them with the tools and resources they need to succeed.

Technology is now open for business! The Centre is a space where students can collaborate, experiment, and create, fostering a culture of innovation and excellence. The Centre is equipped with state-of-the-art facilities and is staffed by experienced professionals who are dedicated to helping students reach their full potential.

We welcome all those who are interested in supporting the Spencer Centre for Design and Technology. Your generosity will help us continue to provide a world-class environment for our students. Thank you for your support.

Building our Future

The Michael Robinson AO ('55) Boarding Scholarship

Target: $650,000. We're more than halfway there!

In 2017, the Foundation announced the creation of the Michael Robinson Boarding Scholarship to honour the exceptional lifelong commitment of Michael Robinson AO ('55) to Scotch. The Scholarship aims to provide a unique opportunity for students who may not otherwise have the resources, to attend Scotch.

The scholarship provides a unique opportunity for students who may not otherwise have the resources, to attend Scotch. It will be awarded in perpetuity, to enable boys to experience Scotch for as long as he wishes. Tim has supported both Scotch College and the Foundation of Scotch College, firstly through his formative relationship with the Scotch College, and then as he distinguished himself.

Mr. Tim Macmillan AO ('55) is a former student of Scotch College, and has made an exceptional, lifelong commitment to Scotch. This involves a monthly donation to the fund of the Old Scotch College Foundation, and a bequest to the Scotch College. The Foundation is seeking to raise $650,000 to fund one boarding scholarship in perpetuity, to enable boys to attend Scotch.

We are proud to announce that as of this stage, more than $330,000 has been committed to this scholarship.

We would like to thank those who have contributed to the Michael Robinson AO ('55) Boarding Scholarship so far.
